

Company Overview

Globe Construction Chemicals founded in 2015, is a professionally managed, **ISO 9001:2015 certified** organization and **ISI-approved** manufacturer for Tile Adhesives, with **GreenPro-certified** products. The company is engaged in the manufacturing and supply of high-performance construction chemicals, serving a wide spectrum of construction needs across India.

Backed by 11 years of manufacturing expertise and 18 years of industry experience in construction chemicals, Globe has established itself as a reliable and quality-driven brand in the construction sector.

Manufacturing Excellence

Globe operates state-of-the-art manufacturing facilities located in Pune and Gujarat, equipped with advanced production systems and stringent quality control processes. Fully automatic German technology SCHWING Stetter plant

Production capacity: 20 tons per hour

Monthly capacity: 10,000 tons of Dry Mix Mortar

Manufacturing facility: 2-acre plant at Pune

Our modern infrastructure ensures consistency, scalability, and superior product performance.

Research, Development & Quality Assurance

Innovation and quality are at the core of Globe's operations.

Product Development Manager with over 25 years of experience in construction chemicals
1200 sq. ft. fully equipped R&D laboratory

QA/QC Manager with 5+ years of experience

50+ products, many of which are GreenPro certified

Our in-house laboratory enables continuous product development, testing, and customization to meet evolving project requirements.

Product Portfolio

Globe offers a comprehensive range of construction chemical solutions, including:

- Wall Solutions
- Tiling Solutions
- Structural Grouts
- Repair & Restoration Systems
- Flooring Solutions
- Expansion Joints & Sealants
- Construction Admixtures
- Waterproofing Systems
- Concrete Essentials

Each product is developed to deliver durability, efficiency, and sustainable performance.

Our Strength

Globe is a leader in delivering tailored construction solutions for virtually every type of construction project. We combine:

- High-quality products
- Expert technical support
- Responsive customer service
- Continuous innovation

This integrated approach enables us to add measurable value to our customers' projects.

Mission

To be a leading supplier of superior construction chemicals by continuously improving product quality and adding value for clients through innovation, foresight, integrity, and performance, while promoting advancement, reliability, and sustainability in construction.

Vision

To offer innovative construction chemical solutions that enable our customers to achieve sustainable and efficient building practices, contributing to long-term growth and environmental responsibility in the construction industry.
